

First CELLAR

CHAMPAGNE

DEVAUX

Devaux House lies at the heart of a family story that commenced with brothers Jules and Auguste Devaux shortly before the mid-19th century. The Devaux House was subsequently managed by three remarkable women who directed the family winery with immense energy and skill. Today, Champagne Devaux represents numerous families. As the last member of the Devaux lineage, Jean-Pol Auguste Devaux entrusted the future of Devaux to the "Union Aubeoise" in 1987, now known as the "Groupe Vinicole Champagne Devaux."

STÉNOPÉ, DEVAUX & CHAPOUTIER

CHAMPAGNE, FRANCE, 2010

Sténopé is a vintage Champagne collaboration between Devaux's cellar master, Michel Parisot, and Michel Chapoutier, the renowned winemaker from the Rhône Valley. The project began in 2008 following the purchase of a vineyard in Les Riceys in 2007, an archetypal Pinot Noir village in the Côtes des Bar. Sténopé derives its name from the ancient Greek term for a small hole, reminiscent of the first photographic device. The concept was to produce this Champagne for every vintage, capturing the finest representation of the season. The 2010 is a fifty-fifty blend of Pinot Noir and Chardonnay, featuring aromas of vanilla, brioche, warm bread, lemon zest, and candied notes. The palate is full-bodied, elegant, and vibrant, showcasing bergamot, butter, and dry hazelnut flavors. This blend exemplifies a harmonious balance of generosity, maturity, and freshness.

CUVÉE ROSÉE, DEVAUX

CHAMPAGNE, FRANCE

The Cuvée Rosée is a blend of Pinot Noir and Chardonnay and, aged three years gives this rosé Champagne its distinctive style. In deep pink color, the cuvée shows aromas of soft and ripe raspberries followed by aniseed notes. The palate is full-bodied, fresh with a good balance, and violet notes on the finish.

WHITE WINE

CHARDONNAY, MÂCON-AZÉ, DOMAINE DE LA GARENNE

BURGUNDY, FRANCE, 2018

The Beaumont and Devillard families joined forces in 2008 to take ownership of the Domaine de la Carenne winery in southern Burgundy. The Devillard family had a history of winemaking, while Devillard was looking to expand his collection of Burgundy wines globally. Together, they are marking a new phase in the winery's history. The Chardonnay vineyards are located on the hills surrounding the village of Azé. The soil is composed of limestone and clay, which gives the wine its distinctive minerality and complexity. The 2018 showcases the complex aroma of citrus, apple, and white flowers with a hint of honey and dry fruit. The palate is full-bodied, with oak fragrances enhancing the ripe apple and pear flavours, balanced with great acidity and a long, elegant finish.

SAUVIGNON BLANC, CHÂTEAU OLIVIER

BORDEAUX, FRANCE, 2018

Chateau Olivier has a rich history dating back to the 12th century when the Archbishop of Bordeaux owned it. In 1867, Alexandre de Bethmann was elected mayor of Bordeaux, then his family acquired Château Olivier, which is still managed today by one of his descendants. The vineyards are planted on gravel, sand and clay soils, which provide excellent drainage and contribute to the wine's complexity and character. The 2018 showcase a bright and fragrant nose of grapefruit, white peach, and passion fruit, with subtle hints of vanilla and toast. It is fresh and lively on the palate, with vibrant acidity balancing the rich flavours of ripe tropical fruit and citrus. The wine finishes with a persistent and elegant minerality.

RIESLING "SPRINGVALE" GROSSET

CLARE VALLEY, AUSTRALIA, 2017

Jeffrey Grosset, owner and founder, has always been an innovator, challenging tradition and questioning accepted practices. Back in 1981, the global white wine trend was on Chardonnay, but Jeffrey's mind was focused on the purity generated by Riesling planted on the limestone soil of the Clare Valley. Springvale is a six-hectare single vineyard, relatively isolated, at a high altitude, and certified organic and biodynamic. The 2017 shows lemon zest and apple blossom aromas, with a hint of chalkiness on the nose. The palate is medium-bodied and dry, with generous lime and lemongrass flavors. The finish is vibrant, long, and neat, balancing between its tight structure and shaley minerally acidity.

**ROUSSANNE BLEND, STEADING WHITE,
TORBRECK BAROSSA VALLEY, AUSTRALIA, 2016**

Torbreck Vintners was founded in the Barossa Valley in 1994 by David Powell and rose to stardom after a series of excellent critic's reviews, which soon created an intense consumer interest in the international wine collector community. Torbreck focuses on Rhône style reds and whites like this Steading White, which comes from a blend of Roussanne, Marsanne and Viognier. This 2016 vintage showcases fragrant aromas of acacia flowers, roasted nuts, buttered citrus all neatly balanced with an underlying hint of bee's wax. The palate is full-bodied with a certain richness from the ripe Marsanne and Viognier, balanced by the flinty and austere personality of Roussanne. The result is a seamless wine with a silky texture.

RED WINE

**LE SAINT-ESTÈPHE DE MONTROSE,
BORDEAUX, FRANCE, 2015**

Château Montrose is one of the two Second Growths from Saint-Estèphe, whose two centuries of history have been shaped by only three families. In 2006, the Charmolue family sold the estate to the Bouygues brothers, who extensively modernized and renovated the facilities. Le Saint Estèphe de Montrose is the estate's third wine, crafted from the younger vines and benefiting from the same deep gravelly soil, enriched by a clay subsoil that imparts structure, complexity, and a refined minerality to the wines. The 2015 vintage presents an enticing nose of blackberries and cherries, accompanied by hints of cedar and a touch of graphite. A harmonious blend of fruit and subtle earthiness prevails on the medium-bodied palate, leading to a long and satisfying finish.

**DRY RED WINE N° 2, YARRA YERING
YARRA VALLEY, AUSTRALIA, 2011**

Yarra Yering was established in 1969 by Dr. Bailey Carrodus, a visionary and pioneer, who recognized the potential of the Yarra Valley for producing world-class wines. The vineyards benefit from a unique soil of deep grey silty loam and gravel, which along with the region's cool climate, provides optimal conditions for producing elegant, expressive, and age-worthy wines. The vintage 2011 showcases the aromas of blackberries and plums with hints of dry herbs and spices. The medium-bodied palate exhibits a harmonious balance of soft fruit, fine dusty tannins, and vibrant acidity.

**CHIANTI CLASSICO RISERVA "SER LAPO", MAZZEI
TUSCANY, ITALY, 2019**

The Mazzei are one of Italy's oldest and most prestigious winemaking families, with a history dating back over 600 years. This Chianti is named after Ser Lapo Mazzei, a 14th-century ancestor of the family who is credited with creating the first modern Chianti blend. The vineyards are situated on the slopes of the hills around Castellina in Chianti. The soil is composed of limestone, clay, and sandstone, which gives the wine its unique character and complexity. The 2019 has a complex aroma of black cherry, blackberry and spice, with a hint of vanilla. The palate is full-bodied with flavours of dark fruit and earthy notes, firm tannins, subtle acidity and a long, persistent finish.

**NEBBIOLO "PERBACCO" LANGHE DOC, VIETTI
PIEDMONT, ITALY, 2019**

Founded in the late 19th century, Vietti pioneered creating wines that showcase the Langhe region's distinctive terroir. The grapes are predominantly cultivated in the Barolo area, with a smaller portion grown in Barbaresco. The vineyard's soil composition, primarily limestone and clay, contributes unique mineral characteristics to the wine. The 2019 vintage presents a fragrant bouquet of red berries, complemented by floral and spicy undertones with a subtle hint of menthol. This wine is medium bodied on the palate, showcasing flavours of cherries and raspberries harmoniously integrated with well-defined tannins, leading to a long-lasting finish.

DESSERT WINE

**SEMILLON BLEND, CHÂTEAU D'ARMAJAN DES ORMES,
SAUTERNES, FRANCE, 2016**

Château d'Armajan des Ormes is one of the oldest wine estates in the Bordeaux appellation of Sauternes. The estate is owned and worked assiduously by the industrious Perromat family. The vineyards are located in Preignac, bordering to the south by the vast Landes forest and to the north by the valley of the swiftly flowing Garonne River, which provides the ideal terroir and climate conditions for producing the much sought after Botrytis Cinerea, which gives Sauternes its intensity and extraordinary flavours. The richly-golden coloured 2016 features delightful aromas of dried apricot, sweet orange peel, honey and almond blossom. The palate is full bodied and rich in flavours of apricot, orange marmalade and exotic spices. The finish bursts with fresh orange zest like acidity.

FORTIFIED WINE

**WARRE'S COLHEITA PORT 2000
DUORO VALLEY, PORTUGAL**

Warre's, founded in 1670, is the first British Port company established in Portugal, making its history synonymous with that of Port itself. Since 1961, the Symington family has diligently nurtured and elevated Warre's legacy. "Colheita" is the Portuguese term for harvest, signifying an aged tawny port from a single year. The 2000 vintage reveals enticing aromas of red fruits, orange peel, dried figs, and toasted almonds. Its velvety palate showcases captivating flavours of black cherries, caramel, and cloves, achieving a perfect harmony between sweetness and acidity.
